

## Spare Parts

**We are representative for the spare parts of RENK Group (RENK Augsburg, RENK Rheine, RENK-MAAG) in the US and in Canada.**

Prepare your overhaul for emergency!

- Keep critical spare parts on stock to avoid downtime of the plant!
- We can provide a list of recommended spare parts tailored for your needs.
- Inspect your equipment to order the right spare parts well ahead of your planned overhaul.

We rebuild components no matter how old the equipment is.
